**A WIDE RANGE OF PRODUCTS FROM**

Modern-day travellers have found it mandatory to carry water to quench their thirst on the go. The ability to pack clean water into a safe container is something that many of us take for granted these days. This is where MASTERCool steps up and has created a niche market that aligns and compliments the attire of the modern day traveller.

The launch of MASTERCool's latest range says it all. The FANTASY COLLECTION - A wide range of stainless steel bottles in collaboration with Marvel, Disney and DC Comics specially designed for the youth - children, teenagers and grown-ups as well, who are huge comic series' fans.

The bottle is designed in such a way that it becomes very easy for you to carry it in your bag and the attractive design of the bottle makes you fall in love with it. Especially with its uniquely styled screw cap lid for easy opening and spill free experience.
